2015 AUTHORITY BUDGET MESSAGE & ANALYSIS
UNION CITY PARKING AUTHORITY

BUDGET

FISCAL YEAR: FROM 12.01.14 TO 11.30.15

Answer all questions below. Attach additional pages and schedules as needed.

1. Complete a brief statement on the 2015 proposed Annual Budget and make comparison to the 2014 adopted budget for each operation. Explain any variances over +/-10% for each line item by operation. Explanations of variances should include a description of the reason for the increase/decrease in the budgeted line item, not just an indication of the amount and percent of the change. Attach any supporting documentation that will help to explain the reason for the increase/decrease in the budgeted line item. For example, if anticipated service charges have increased 15% due to an increase in rates, provide a copy of the resolution authorizing the rate increase.

   The 2015 Union City Authority Budget reflects the following variances over +/- 10%:
   a) Actual income from Parking Permits in 2015 compared to Budgeted figure for 2014 decreased due to changes implemented throughout municipal parking garages (effective 2015, no commercial vehicles were allowed to park in municipal lots). In addition, the new residential parking ordinance (would have increased the revenue from residential parking permits) has not yet gone into effect.
   b) Cash available for investments decreased; as a result, Interest from Investments decreased as well.
   c) In 2015 the Authority received a Subsidy from the City of Union City which resulted in an increase in revenues.
   d) Administrative personnel related expenses decreased: the Authority replaced its full time Executive Director with a new part time Acting Director (with a stipend less than 30% of prior Director's salary) New Director opted out of Health Insurance coverage. In addition the Officer manager position salary has been reclassified from Administrative to Cost of providing services category.
   e) Administrative Other Expenses decreased as a result of a decrease in labor counsel related expenses.
   f) Cost of providing services personnel related expenses decreased due to a high number of resignations from parking enforcement officers.
   g) Other Cost of Providing services expenses increased as a result of upgrading the uniforms, systems such as the time and attendance, electric doors, website and repairs such as air conditioning equipment and some cameras.
   h) PERS employer amount budgeted in 2014 was greater than 2015 since it included delayed enrollment expense for Part timers enrollment in 2013-2014.
   i) Interest payment on Debt decreased as per contractual agreement (All Points Capital.)

2. Complete a brief statement on the impact the proposed Annual Budget will have on Anticipated Revenues, especially service charges and on the general purpose/component unit financial statements. Explain significant increases or decreases, if any. An increase or decrease is considered significant if it is over +/-10% from the current year adopted budget.

   The Union City Parking Authority experienced a transition of key personnel during fiscal year 2014-2015. The implementation of the City's updated residential permit ordinance (see attached) was not finalized during fiscal year 2015. The Authority works closely with the City and its agencies to implement the new ordinance. The Union City Parking Authority remains committed to

serving its residents, business, employees and visitors. The Subsidy for fiscal year ended November 30, 2015 has increased revenues by about 13%.

3. Describe the state of the local/regional economy and how it may impact the proposed Annual Budget, including the planned Capital Budget/Program.

   There were no capital projects scheduled for budget year 2014-2015

4. Describe the reasons for utilizing Unrestricted Net Position in the proposed Annual Budget, i.e. rate stabilization, debt service reduction, to balance the budget, etc. If the Authority's budget anticipates a use of Unrestricted Net Position, this question must be answered.

   The Authority did not utilize Unrestricted Net Position in the proposed 2015 Annual Budget.

5. Identify any sources of funds transferred to the County/Municipality as a budget subsidy or a shared service and explain the reason for the transfer (i.e.: to balance the County/Municipality budget, etc.).

   N/A

6. The proposed budget must not reflect an anticipated deficit from 2015 operations. If there exists an accumulated deficit from prior years' budgets (and funding is included in the proposed budget as a result of a prior deficit) explain the funding plan to eliminate said deficit (N.J.S.A. 40A:5A-12). If the Authority has a net deficit reported in its most recent audit, it must provide a deficit reduction plan in response to this question.

   The proposed 2015 Budget projects a Surplus of $345,300.

7. Attach a schedule of the Authority's existing rate structure (connection fees, parking fees, service charges, etc.) and a schedule of the proposed rate structure for the upcoming fiscal year. Explain any proposed changes in the rate structure and attach the resolution approving the change in the rate structure, if applicable.

Meter	$0.25 cents per half hour

Permits	$60 (All Other Municipal lots)
Surcharge	$3 (per residential parking ticket)
Visitors	$25 (replacement permit)
Employee	$50 (per calendar year)

8. Attach a copy of the Authority's most recent Annual Operating Data submission to the Municipal Securities Rulemaking Board's Electronic Municipal Marketplace Access (EMMA) under the Authority's Continuing Disclosure Agreements for any debt issuances outstanding. Examples of Annual Operating Data may include sewer and water billings; parking rents and collections; number of customers; number of available parking spaces; etc. See Local Finance Notice 2014-9 for more information.
