2017 AUTHORITY BUDGET MESSAGE & ANALYSIS
UNION CITY PARKING AUTHORITY
AUTHORITY BUDGET

FISCAL YEAR: FROM: 01.01.17 **TO:** 12.31.17

Answer all questions below. Attach additional pages and schedules as needed.

1. Complete a brief statement on the 2017 proposed Annual Budget and make comparison to the 2016 adopted budget for each operation. Explain any variances over +/-10% **(As shown on budget page F-4 explain the reason for changes for each <u>appropriation</u> changing more than 10%)** for each line item by operation. Explanations of variances should include a description of the reason for the increase/decrease in the budgeted line item, not just an indication of the amount and percent of the change. Attach any supporting documentation that will help to explain the reason for the increase/decrease in the budgeted line item. For example, if anticipated service charges have increased 15% due to an increase in rates, provide a copy of the resolution authorizing the rate increase.
   The only significant variation was with the debt service interest payment which decreased by 14.8% due to the decrease in the amount of interest to be paid on the debt.

2. Complete a brief statement on the impact the proposed Annual Budget will have on Anticipated Revenues, especially service charges and on the general purpose/component unit financial statements. Explain significant increases or decreases, if any. An increase or decrease is considered significant if it is over +/-10% **(As shown on budget page F-2 explain reason for change for each <u>revenue</u> changing more than 10%)** from the current year adopted budget.
   See answer for #1. The impact on the anticipated revenues, especially the service charges and financial statements, is minimal.

3. Describe the state of the local/regional economy and how it may impact the proposed Annual Budget, including the planned Capital Budget/Program.

   There are no capital projects scheduled for 2017.

4. Describe the reasons for utilizing Unrestricted Net Position in the proposed Annual Budget, i.e. rate stabilization, debt service reduction, to balance the budget, etc. If the Authority's budget anticipates a use of Unrestricted Net Position, this question must be answered.

   The Authority did not utilize Unrestricted Net Position in the proposed 2017 Budget.

5. Identify any sources of funds transferred to the County/Municipality as a budget subsidy or a shared service and explain the reason for the transfer (i.e.: to balance the County/Municipality budget, etc.).

   N/A

6. The proposed budget must not reflect an anticipated deficit from 2017 operations. If there exists an accumulated deficit from prior years' budgets (and funding is included in the proposed budget as a result of a prior deficit) explain the funding plan to eliminate said deficit (<u>N.J.S.A. 40A:5A-12</u>). If the Authority has a net deficit reported in its most recent audit, it must provide a deficit reduction plan in response to this question.

   The 11/30/2015 audit shows a deficit in unrestricted net position of $2,275,892 which will be eliminated over time.

7. Attach a schedule of the Authority's existing rate structure (connection fees, parking fees, service charges, etc.) and a schedule of the proposed rate structure for the upcoming fiscal year. Explain any proposed changes in the rate structure and attach the resolution approving the change in the rate structure, if applicable.
